10 November 2010

My dear colleague,

Around this time, every year we communicate with you in order to renew and strengthen our bonds. Your active participation invigorates us to climb newer summits on this quest for knowledge. We invite you all with the same warmth as you have experienced in the past 12 surgical workshops.

We will be conducting demonstration and hands on dissections for both temporal bone and endoscopic sinus dissection. Some unique features of our workshop are:

- ❖ Two full days of hands on temporal bone dissection for 20 delegates on 24th & 25th February.
- ❖ Hands on endoscopic sinus dissection for 30 delegates on 25th February.
- ❖ Delegates will be provided with world class equipments like Zeiss Microscope, Henke Sas endoscopes, Bein-Air micro-motor, Sopro camera, Kalelker Hand Instruments, etc.
- ❖ Cadaveric temporal bone demonstration dissection by Dr.Shabbir Indorewala.
- ❖ Dr.Prepageran Narayanan will demonstrate cadaveric sinus endoscopic dissection (FESS).
- ❖ Live surgical demonstration by faculty over two days on 26th & 27th February 2011.
- ❖ Panel discussion on 26th February 2011.

We express our gratitude towards Sarchitnis, Late Dr.Vasant Pawar, Principal, Dr.Mrunal Patil, HOD Anatomy Department Dr.Suchit.G.Kamkhedkar, Dr.Vasantrao Pawar Medical College, Hospital & Research Center, Nashik.

Please feel free to communicate with us so that we can make this event a memorable one for all of us.

Our organizational task becomes daunting as we aim for continuous improvisation after achieving near excellence. For your comfort we have a dedicated, air-conditioned, spacious conference hall equipped with an excellent two-way, four-channel, audio-visual system.

For most it's like an annual pilgrimage, come let us walk the path together.

Sincerely yours,

Dr.Shreeya Kulkarni
